Our year as Seniors started actively with car washes, bakesales, dances, and plenty of class meetings. Highlighting the year were Pep Week, where Seniors proved themselves victorious, and of course, Homecoming, where Seniors produced the prize-winning float entitled "Waverly, the Leaders of Tomorrow." After Homecoming our attentions began to center around preparations for graduation; we ordered announcements, caps and gowns, and made special plans for our Senior Prom. All these activities and many more became history as the class of 1968 graduated and gave its last fond farewell to Waverly High School.

Karin Bohman came to Waverly from Sweden and has been an active member of the Senior Class. She has also been active in the Capri Club. Karin resides with Marcy Kennedy.

A summer "Patia Dance" introduced Karin to Waverly. She enjoys dancing as well as sewing and various other hobbies.

Our Senior

Jens enjoys all of his subjects at Waverly. Here he proves his capabilities in the field of science by training rats on an obstacle course.

Exchange Students

Jens Kullick, our patriotic German exchange student, has been a great asset to Waverly's Track and Cross Country teams. He lives with senior Roger MacLennon.
